# A Message From Our Administration

It's amazing each year how the time passes so quickly and the memories gather. This book will not be able to preserve every special moment you have experienced, but we hope that it will transport you part way back as you recall the teams and activities in which you participated, and the people with whom you shared the halls and classrooms of Bedford Road.

In years to come, some of you will realize that the rich curricular and extra-curricular opportunities, the expert and caring staff, and the positive energy of the student body combine to make Bedford Road a very special place for many of us. We cannot imagine a better setting in which to face the trials and celebrate the achievements of your high school years.

Thank you to the students and staff who worked so hard preparing this yearbook, which provides an immediate delight when first opened, and which will become more valuable as the years go by. We appreciate your efforts in recording and preserving so many treasured memories.

Ideally, those of you moving on will have acquired or refined the skills and attitudes necessary to meet the many challenges coming your way. You should also be proud of your contribution to Bedford's traditions of academic excellence, caring relationships, and incredible school spirit. Your dynamic example will encourage the rest of us to continue to build on those traditions in your absence. And, no doubt, in the process we will continue to create many special moments to capture in books like this one.

The Bedford Pride Club is known as the welcoming committee of BRCI. With the help of Mrs. Dickson we have made exceptional progresses with the birthday board, the spotlight, open house, interviews and birthday announcements. We are 17 individuals who come together to work as an exceptional group. Even though our main objectives are to be ambassadors of the school and to always bring a welcoming smile to the new Redmen, we always manage to present the Tradition, Commitment, and Excellence of PRIDE out into the horizon.

## STUDENTS AGAINST DRINKING AND DRIVING \*S.A.D.D.

**This years' SADD started out with a bang. Unfortunately, we lost our advisor Ms. Thompson. Regretfully SADD has never fully recovered from our loss. As a group we are responsible for many great things within our school. We arrange for demonstrations of what can happen when students drink and drive. We also act as ambassadors for students and families who have suffered from these tragedies. As unfortunate as our group has been this year we are hopeful that we will make an impact on students as well as members of the community.**

The BRCI mission statement "Tradition, Commitment and Excellence" can be used to describe the achievements of the 200-2001 SRC. The year started out slowly, but we kept our amazing spirit alive. Traditional events such as Welcome Week, the haunted house, the Redmen's People's Choice Awards, Roadstock and End of Semesta Fiesta were all successful, as well as the popular "Gender Wars", where BRCI's female population were the overall winners.

The SRC was committed to activities that would appeal to a variety of BRCI students. The first ever "Bean Scene" was an opportunity for students to showcase their talents. It was also a charity event that raised money for cystic fibrosis research. Another successful charity fundraiser was a performance by the acapella group "Hoja", which raised enough money to buy 4 CD players that were donated to the Pediatric Ward at the Royal University Hospital.

The amazing amount of spirit shown by Bedford Road students makes our school unique! It is very exciting to see so many people getting involved and having fun. On behalf of the 200-01 SRC we wish everyone the best in years to come. Never forget who you are and where you come from. Redmen Rock!!

SMUNA 2000 was a big success for all those involved. Bedford sent almost forty students to the Model United Nations this year which was held at Walter Murray. We had the second largest turnout of any school in Saskatoon. Our success came not only in quantity, but in quality too, as many Bedford students were recognized within their blocs for their contributions. Bedford has become a major contributor to SMUNA in the past few years, and we will continue that tradition in years to come.

Bedford Road's debate team competed in 3 regional rounds this year. 3 teams qualified for provincials in Regina, however only 2 competed. The teams of Marika and Susan, John and Ryley represented Bedford well at provincials. Also, Susan Howse won the Provincial Top Speaker award at the Division 4 Tournament. She received the E.C. Lesley Trophy. Congratulations Susan, and job well done to the entire Debate Team for 2000-2001!!!

## SIGN CLUB:Hearing More Than What Words Have to Say

The sign language club is a club designed for all people attending Bedford Road, who are interested in learning how to communicate with the hearing impaired. Bedford Road has a handful of hearing impaired students, some of which wear a cochlear implant. Students enjoy breaking the communication barriers through learning new popular songs together, conversation signs, performing O Canada at BRIT and pep rallies throughout the year. We have had a variety of teachers that help with the club including Ms. Devitt, Ms. Parr-Hilstead, Mrs. Kembel, and Mrs. Reust.

## Bedford Road Key Club

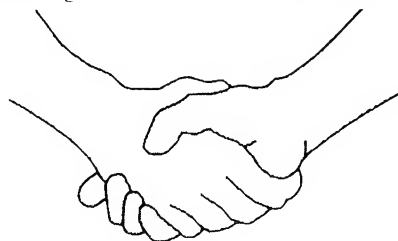

"We don't make keys!"

The Bedford Road Key Club, which is affiliated with the Riversdale Kiwanis Club, has been very active this year. The club's major focus is school and community service. Some of this year's projects are Kiwanis Apple Tag Day, selling raffle tickets for the Children's Health Foundation, Halloweening with children from the Crisis Nursery and the YMCA BRCI Christmas hampers from the Salvation Army, Operation Christmas Child, and hosting the Western Canada Key Club Conference held in Saskatoon.

Through the club's fundraisers we were able to give donations to a number of projects such as Kinsmen Telemiracle, Iodine Deficiency Disorder (IDD), and the BRCI Senior Cheer Team. The club meets weekly and is open to all students.

# Spark: Writing Through the Horizon

Spark this year mainly consisted of grade 10 writers with a few contributors in grades 9, 11, and 12. We did not put out as many issues as we would have liked to have done, but what we did put out exceeded eight pages, a monumental task for a school paper. Spark also purchased a special computer to help with the publication process, but we had trouble connecting to the internet. With the majority of writers being in grade 10, next year and the year after promise to be strong in content and value.

This year's ISCF met almost every Thursday at noon in room 236. Some of our activities included prayer meetings, bible studies, games, picnics in the park, sing-offs and some skits and drama. Two of our major events were the westside wides and the annual ISCF chili lunch. Our main purpose is to support Christian students at Bedford Road. Thanks to all of you who came out, but didn't make it to the picture!!!!

## CHESS CLUB

**BACK ROW:** Mike Bergsteinsson, David Miller, Jeffrey Cliff. **FRONT ROW:** Susan Howse, Cathleen MacPhee, Nathan Schneider. **MISSING:** Stacy Simpkins, Jeff Benson, Luke Benson.

This year's chess club had a great year. Four Bedford students qualified for provincials; Mike Bergsteinsson, Susan Howse, Drew Miller and Jeff Cliff. They made it through regionals getting a gold, two silvers and a bronze. Unfortunately only three could travel down to Regina for provincials. There was great competition and in the end all three students did well. Susan Howse placed 7th, Drew Miller placed 5th and Mike Bergsteinsson placed 3rd. Great job everyone!!!!!!

The Junior Girls Volleyball team consisted of 15 dedicated players. Each player contributed various strengths and abilities which helped shape a strong team. There was a steady display of progress throughout the entire season. All of the players worked hard and learned to come together as a team. Special thanks to assistant coach Alissa Morgan for all her time and effort.

## Frosh Red Team

The Frosh Girls volleyball team had a productive season that saw a lot of growth both individually and as a team. Many of our players were taking part in their first season of volleyball and saw a lot of personal improvement throughout the season. By the time league playoffs came near, this team had developed an astounding sense of teamwork and ability to communicate on the court. The team won 6 out of 9 playoff games in their pool leaving them a bit short of the lead needed to advance. However, this accomplishment could not have been met without this team's dedication and enthusiasm. They were a pleasure to coach.

The Sr. Girl's Volleyball team had an excellent 2000 season. The girls finished 7th after regular league play, and lost a tough but well played play-off match to Even Hardy on Nov 2. A definite highlight of the season was when the team won the consolation side of their own Redmen Volley tournament. The following girls will be graduating this year and will be greatly missed: Nicole Thiessen (captin), Carrie Simpson, Jackie Leduc, Heather Graham, and Erin Kenney. Potentially returning for next year's season will be eight exciting young players who contributed greatly to this past season. A special thanks goes out to our manager Danielle Horn and our assistant couch Mr. Wayne Tamke. Way to go team on an excellent and exciting season.

The boys played in a shortened season this year. The team was made up of very committed players who worked hard in practices and game. There was a lot of improvement over the season. Mr. Kornuta and Ms. Carter led the troops off the field, while captains Adrienne Stinson, Samantha Booth and Becky Baker took charge on the pitch. The girls are looking forward to next year's season.

Our Junior Football team had a very good season this year. We are a young, inexperienced team and therefore we started slow but as the season wore on, we improved immensely. The coaches are very proud of these young players, especially because of their performance in the Charity Bowl. We were down 2 touchdowns in the first half against Marion Graham but came back to score 4 Touch downs in the second half. This team will improve even more next year. We finished the year at 3 wins - 3 losses.

The Redmen Senior Football team had a up and down season in 2000. With a large number of grade 12 players, expectation and optimism were high. A season shortened by a labor dispute hurt the Redmen this past year. The team went 4 and 1 in the season shortened by 5 games. After losing the opening Welcome Week game to arch rival E.D. Feehan the Redmen regrouped to record 4 impressive victories over Mount Royal, North Battleford, Bishop James Mahoney and Marion Graham. The Redmen finished 2<sup>nd</sup> to E.D. Feehan in the Western Division. In 1/4 finals the Redmen played Walter Murray. After falling behind early the Redmen fought back violently but still came out on the short end of a 28-19 score. The playoff loss was disappointing to the experienced grade 12 players. However the season as a whole was still very successful. All the Redmen have established themselves as a legitimate football contender in the Saskatoon league. Head coach Bowers was impressed with the attitude and commitment the entire Redmen squad demonstrated the past season. Several of the grade 12 players have a legitimate opportunity to play at the next level next year.

# Dribbling on the Horizon: Frosh Basketball

**Girls** This year the frosh girls were coached by Mr. Dybvig, Miss Farber, Andrew Herron and Orellana. The girls had an awesome season with a 12-4 record, and ended the season with a great game to win the consolation final. Both the girls and the coaches worked very hard and were dedicated to the team.

The 2000-2001 Frosh boys basketball season was marked by considerable improvement. Coaches Mr. Bowers, Mr. Hoffman and Rob Ross were frustrated by the number of boys who dropped off the team during the season, but for those that managed to finish the year, the final results were satisfying. Derek Morrison, Kevin Stone and Dustin Whiteside were the key players for the team. The team played their best two games of the season in the year-end tournament, upsetting Mount Royal and Marion Graham. Hopefully the improvement will carry over to the junior team next year.

# Junior Basketball Girls

The junior girls basketball team had a good work ethic and showed lots of determination. The team demonstrated a lot of improvement over the season. Their most memorable game was a heartbreaking overtime loss to Marion Graham in the playoffs...a game the girls dominated until the very end. The girls showed great fighting spirit which they maintained throughout the season.

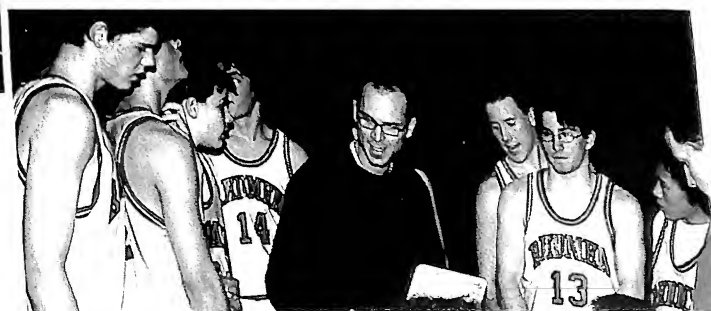

**Back Row (L-R):** Ms. Finell, Lola Ng, Desiree Cameron, Amanda Cole, Amanda Mack, Lisa Johnson, Cora Komada, Dealle Epp, Angie Cullingworth. **Front Row (L-R):** Jenny Baker, Christina Goertzen, Desirae Clothier, Laura Paul, Angel Cherepacha, Michelle Klassen, Shelagh McGinnis.

The junior boys had an interesting season this year to say the least. They worked hard from beginning to end on a daily basis and it really showed on the court. Unfortunately it wasn't as evident on the scoreboard, as they were at the wrong end of several close games. This only put more desire into the hearts of the players whom are very anxious to turn some heads and win some games at the senior level. Good luck next year guys!!!

# Annie

This year's production of "Annie" was a great success. Elicia shone as **Annie** acting and singing like a star. Jordie made a convincing **daddy Warbucks**. Love interest **Grace** was played wonderfully by Bonnie. Vince was born to play the all-too-cool **Rooster**, and Erika fit the part of **Lilly** wonderfully. **Ms. Hanigan** was played by Katya and her version of "Little Girl" was inspiring. The **orphans'** song and dance put a smile on the audiences faces and Ashton was hilarious as **President Roosevelt**. Ms. Kuz directed an unexperienced cast but made them shine; a true reflection of her talents. We'd like to thank the crew, orchestra and entire cast for ensuring the success of the production.

# REDMEN WRESTLING

This year's wrestling was very successful for both the girls and the boys teams. The teams improved a great deal due to the excellent coaching from Mr. Kirkpatrick, Mr. Dalen and our head coach Mr. Bradley.

The boys team, led by their senior captain Paul Thompson, and junior captain Jared Piller, ended up in third place in league standings. This surpassed the expectations of many coaches in the city. The boys worked hard all season and it paid off in the Summit Dual Championships. After winning their duals against St. Joe's and Marion Graham, they went on to the final dual against Mount Royal for the championship. Unfortunately, size and experience prevailed over the Redmen and they came in second. At the city championships, at Aden Bowman, the boys team had eight medalists who went on to the Provincial Championships in Regina. At provincials, the team placed third in the province in team standings.

Next year experience will be on the Redmen side because only three male wrestlers will be graduating.

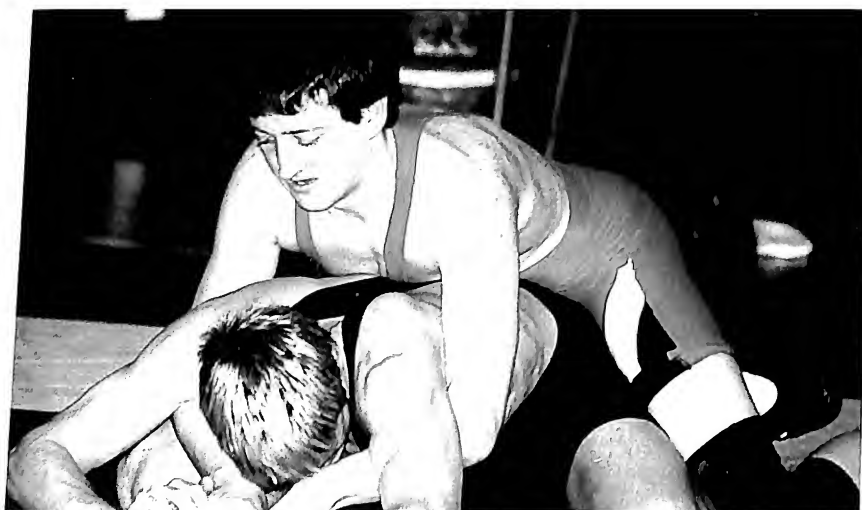

The girls team had another unbelievable season. They remained undefeated, for the second consecutive year with the help of their senior captain Charlene Burnett, and junior captain and National Silver Medalist Amy Dyck. The City League Championship came down to a dual against Walter Murray. The girls wrestled well and won against a tough team. At the Summit Dual Tournament, which was the first of its kind in the city for females, the girls team wrestled well against Marion Graham and won all the matches that we needed to win (with a slight "break" in the action). The second dual was against Walter Murray. They had changed their line up and it came down to the last match this time. Fortunately, our heavy-weight girl won!!

The team's spirit, determination, and supportive nature was outstanding throughout the season in a sport that is very individualistic. The girls fought with their heart when they were on the mat. Next year the team will be even stronger as they are only losing one grade twelve. The Bedford Tough Chicks legacy will continue....

## VALEDICTORY ADDRESS

Good afternoon teachers, guests, family, friends and fellow graduates. After 4 years, maybe more, of highschool, we have finally reached our goal, GRADUATION. I would like to congratulate all of the grads here today. I commend you on the hard work and dedication it has taken to get here today. Whether this is the end of your education, or if you'll be continuing next year, this is a great day and a huge milestone in each of our lives. I wish each of you great success in whichever way your life takes you.

At this great accomplishment, I think we should take time to thank those who have helped us get here. First of all, the teachers and staff at Bedford Road. Thank you to the teachers who have helped us in and out of the classroom. You've always had open doors whenever we needed extra help. You've also sacrificed your own time to coach and organize all the schools many sports, organizations, and activities. For this we thank you.

Secondly, to our parents. Thank you for always supporting us and putting up with all we've done. We've had many disagreements, but you've been there through the good and bad. Thank you for all the rides to practice and all the second third wake up calls in the mornings.

Also, I'm sure we would all like to thank all the friends we have made in our years at Bedford. These freindships and memories will last a lifetime. Thank you for always being there for a fun time or support. And thank you to Erin, my grad date, for sharing this special day with me.

Grad is a time of many emotions. Some of us may be sad to be saying goodbye to friends and teachers who have become like a family to us. Some of us may be apprehensive of our future, not knowing exactly what lies ahead. But I think we should also be extremely happy, because we have all had some great times and realized many accomplishments at Bedford.

I would like all of us here to take a second and think about what we've accomplished. Think about all the late nights doing homework or the cramming 10 min. before the big test. Think of the hard work and dedication that each one of today's grads has shown through the years. For years we've worked hard to get to this point. So, let's enjoy it, take it all in. Sometimes we can get so caught up thinking of our future that we miss what's happening now. Many people in the world will never get their highschool diploma. What we've done is very special. So, although we must always plan for the future, remember to take time and enjoy the moment. You can work for the future all you want, but if you never get to enjoy what you have done, then it is all for naught. It's days like these that we work for. So, let's celebrate. Today is your day, grads. Congratulations!"
